## UVISION at AORN March 17-19, 2009

AORN is the leading professional association whose mission is to promote quality patient care by providing its members with education, standards, services, and representation. AORN is composed of 43,000 perioperative registered nurses working in hospital operating rooms, ambulatory surgery centers, clinics, and physician offices. AORN members also work as educators, researchers, OR directors, management consultants, and medical sales professionals.

UVISION is proud to be a part of the AORN 56th Congress in Chicago, Illinois. Please stop by our booth #1290 anytime during the show and ask one of our representatives for a product demonstration.

**March 17 10:00am - 3:00pm**

**March 18 10:00am - 3:00pm**

**March 19 10:00am - 1:00pm**

Look for our intriguing 'blinking eyes' and learn more about our surgical class optics that offer ultimate comfort with a pressure-free fit. Their lightweight construction with wrap-around lenses imparts unprecedented comfort and barrier protection. Additionally, the wavefront optimized lens technology provides enhanced clarity and reduced glare and eye fatigue even during long procedures. The best feature is the proprietary anti-fog coating which assures lasting clear vision.

If you would like more information on ordering our products or tradeshow information please contact us at 1-877-357-1801 or visit our website at [www.uvision.com](http://www.uvision.com).
